

Lagoon Cruise

Our Lagoon Cruise (approx. 90 minutes) is for those who want to just enjoy the picturesque scenery along Aggie's Lagoon and those who want to discover Samoa's fascinating underwater world alike. Whether you just want to enjoy this 90 minutes cruise in the calm water of the sheltered Lagoon, stay on the boat when we anchor near the reef and listen to the "Music of Nature", have a swim near the boat... or for the adventurous ones...

... let our experienced guides accompany you to our unique snorkeling spot - "the Labyrinth", where you see dozens of different colourful reef fish

and if you are lucky even Sea Turtles near "Turtle Rocks". Our friendly guides will show you the best places and make sure novices and inexperienced guests are well looked after, to make this adventure an unforgettable one. Back on the boat you will be offered a drink (Soft Drinks, Water or "Vailima" - Samoa's own beer), before we head back to the Resort.

With its spacious deck, shade and the convenient snorkeling/ swimming platform "Shilo II" is the ideal boat for people who like to discover Aggie's Lagoon above and under water. Don't forget to bring your camera, sunscreen and a towel along. Snorkeling gear is provided by us. Departing times Usually 10 AM or 2 PM, on Mondays, Wednesdays and Fridays, - or on demand (minimum 4 guests).
